About Molok North America Ltd.

Headquartered in Mount Forest, Ontario, Molok North America Ltd. provides commercial, residential and municipal applications with an innovative new way of managing waste and recyclables. Molok® Deep Collection™ containers have vertical, semi-underground design. This design allows the waste to compact, increasing container capacity, and the lower temperatures underground prevent odours and pests. What makes Molok® stand out is the emptying method. Containers are emptied through the bottom of a reusable lifting liner through the use of a crane, a method that offers key benefits not available with conventional containers. Developed with the end user in mind, the Molok® Deep Collection™ system provides a

collection point that is safe, efficient and easy to use for everyone. For more information visit www.MolokNA.com, email molok@molokna.com or call 1 877 558 5576.
